As Guest Faculty

- Performed live hair transplant workshop at UPAPSICON 2014.
- Attended NERVCON 2014 Lucknow as Guest Faculty
- WCNS 2016 As Guest Faculty & Presented Adult brachial plexus management
- Woundcon 2016 as Guest faculty and presented Role of Fat Grafting In Amputated Stump
- NZ APSICON 2016 As Faculty & presented FREE Fibula Flap for head & neck Reconstruction
- Physiotherapist cme PGIMER, Chandigarh. Adult Brachial plexus injury.
- Oncosurgery Mid term CME May 2017 Free Fibula for head & neck reconstruction.

Research

➤ ***M.S. General Surgery:***

To Study “ Role of ERCP prior to Laparoscopic Cholecystectomy”

➤ ***M.Ch. Plastic Surgery:***

Interpositional arthroplasty using buccal pad fat in temporo-mandibular joint ankylosis

Projects

- A prospective study of donor site morbidity after conchal cartilage autograft harvest.
- Fracture of the metacarpal shaft : comparative study of two treatment option – percutaneous pinning with K wire versus plating
- Age correlation in outcome of nerve transfer for upper brachial plexus injury
- Comparison of final outcome between fat grafting alone and fat grafting with PRP
- The role of Fat graft alone V/S Fat graft with stromal vascular filtration (SVF) in amputated stump

Publications

- Original Research Article: Post Cholecystectomy Necrotizing fasciitis, Rajasthan Medical Journal. Combined Issue 2005-2006.
- The long-term fate of pedicled buccal pad fat used for interpositional arthroplasty in TMJ ankylosis. J Plast Reconstr Aesthet Surg. 2012 Jun 11.
- Medial Arm Perforator Flaps – A Cadaveric Study. International Journal of scientific research and management (IJSRM) || Volume || 2 || Issue || 11 || Pages || 1599-1603 || 2014 ||
